Thirty Years of Blessing

In wishing you a very Happy New Year I take pleasure in reminding you that on Washington's Birthday 1933 we will celebrate the thirtieth anniversary of my sermon in All Saints' Church, Norristown, Pennsylvania. This was the first step in the erection of the Washington Memorial Chapel. That afternoon All Saints' Sunday School pledged one hundred Dollars. The Chapel has cost \$400,000. The Bishop White Memorial Library and Sunday School has been erected at the cost of another \$100,000. This was the gift of the late Harry Louis Peak. In other words our present group of buildings has cost one half million dollars. The endowment on the Chapel and the future National Washington Memorial Church amounts to \$111,560.44. To this will be added the Endowment Fund of the Bishop White Memorial. This amounts to \$25,000. The total of the Parish Endowment is therefore \$136,560.55.

The Valley Forge Museum of American History was founded almost at the time the Chapel was proposed, the first gift being my father's collection of Indian relics, most of which I found in the fields of his parish, St. Peter's Church, Clarksboro, New Jersey. This collection bears his name, the Rev. Jesse Y. Burk Indian Collection. The Society was not founded until June 19, 1918, but the preparatory work went on steadily from the beginning of the historical work in 1913. 1932 has been a great year for the Society in spite of the financial condition of the Nation. Indeed 1932 may be counted as one of the greatest years in the history of our Society. Let us excel all our previous efforts in this New Year! With the help of every member we can do this.

WASHINGTON MEMORIAL CHAPEL—INTERIOR

The Washington Memorial Chapel

The Washington Memorial Chapel, named by President Wilson, "The Shrine of the American People," is the result of a sermon preached by the Rev. W. Herbert Burk, in All Saints' Church, Norristown, on Washington's Birthday, 1903. In it he suggested the erection of a chapel at Valley Forge, in these words: "Would that we might rear a way-side chapel, fit memorial of the Church's most honored son, to be the Nation's Bethel for all days to come, where the American Patriot might kneel in quest of that courage and that strength to make all honorable his citizenship here below, and prove his claim to that above." The first service was held in the Valley Forge Hall, May 17, 1903. The service on May 24th could not be held as the Valley Forge Camp, P. O. S. of A. refused to allow its hall to be used for a second service. Arrangements were promptly made to secure another place of worship, and on Sunday, May 31st, the service was held in Blackburn's Hall, Port Kennedy. This was used until the temporary frame Chapel now known as Roosevelt Chapel, was built. This was opened for service on Sunday, September 27, 1903, when the Dean of the Convocation of Norristown, the Rev. Herbert J. Cook, preached the sermon.

On Sunday, June 19, 1904, the little frame structure was made famous by the visit of President Roosevelt, who made his great Valley Forge address in the modest chapel in order to call attention of the American people to the effort of the minister in charge to honor Washington at Valley Forge.

The Chapel site was the gift of Mr. and Mrs. I. Heston Todd, and Mr. and Mrs. Charles M. Todd. The corner stone of the Washington Memorial Chapel was laid June 19, 1903, as a part of the national celebration of the One Hundred and Twenty-fifth Anniversary of the Evacuation of Valley Forge by Washington and his army.

The stone was laid by Rt. Rev. O. W. Whitaker, D. D., Bishop of the Diocese of Pennsylvania. The Rev. C. Ellis Stephens, D. D., D. C. L., Rector of Christ Church made an address on the "Christianity of Washington." From that day until March 3, 1914, the Founder struggled to raise the money required to erect the chapel of his dreams. Then Mr. and Mrs. Charles Curtis Harrison began their successful campaign to complete the Chapel, which

was only partly built, but in constant use and furnished with many memorials. They gave themselves whole-heartedly to their task, and associated with them the following as a Building Committee, Stevens Heckscher, Esq., Chairman, the Rt. Rev. Thomas J. Garland, George T. Elliott, Esq., the Rev. W. Herbert Burk, Mr. Milton B. Medary, Jr., and Mr. Joseph M. Rogers, Secretary. The Contract for the completion of the Chapel was awarded April 13, 1915, and in a year the wonderful design of Mr. Milton B. Medary, the Architect, was realized in stone and wood. The enrichment has proceeded steadily ever since, with the addition of the beautiful memorials, and every year the Chapel has become more worthy of Mr. Wilfred Powell's appellation—"The American Westminster."

Annually it attracts thousands of visitors. In the past year there were over 179,000 visitors. On a single Sunday in September, 1929, 1140 cars and 10 busses parked around the Chapel between 8 A. M. and 5 P. M.

The Chapel is not only a shrine. It is a Church home for the small congregation of faithful people who share this house of prayer with the American people. Not only is the Chapel open every day of the year for those who visit this shrine, but there is also maintained a regular congregation with two Sunday Schools, one at the Chapel and the other at King-of-Prussia. The work at the latter point was begun by Rev. Francis T. H. Finn, who for three and a half years was the faithful assistant minister in the field. Untiring in service, sympathetic, and self-sacrificing he gave himself to the work and did wonders in building up the congregation and Sunday Schools. The parish has been blessed with faithful workers in the worship of the Church, the training of the young and the support of the parish through the splendid efforts of the Martha Washington Guild. To name any would be unfair to the many. Each has had a part and the total results of the efforts of these faithful Churchmen and Churchwomen have had their place in the forward movement of this work for God and Country.

Much has been done. Much more needs to be done. In publishing this Year Book the Rector asks the earnest prayers and constant co-operation of every member of the parish to make the Washington Memorial Chapel not only a shrine worthy of our God and our Country, but to make it also in a very real sense a Gateway to Heaven.

As this chapel was inspired by Washington's Prayer at

Valley Forge it will be an appropriate place in which to read the story as it has been preserved in the traditions of the descendents from Isaac Potts, who first told it. This account is taken from a paper in the handwriting of Ruth Anna, his daughter.

"In 1777, while the American Army lay at Valley Forge, a good old Quaker by the name of Potts, had occasion to pass through a thick wood near headquarters. As he traversed the dark brown forest, he heard, at a distance before him, a voice which as he advanced became more fervid and interested. Approaching with slowness and circumspection, whom should he behold in a dark bower, apparently formed for the purpose, but the Commander-in-Chief of the armies of the United Colonies on his knees in the act of devotion to the Ruler of the Universe! At the moment when Friend Potts, concealed by the trees, came up, Washington was interceding for his beloved country. With tones of gratitude that labored for adequate expression, he adored that exuberant goodness which, from the depth of obscurity, had exalted him to the head of a great nation, and that nation fighting at fearful odds for all the world holds dear.

"He utterly disclaimed all ability of his own for this arduous conflict; he wept at the thought of that irretrievable ruin which his mistakes might bring on his country, and with the patriot's pathos spreading the interests of unborn millions before the eye of Eeternal Mercy, he implored the aid of that arm which guides the starry host. Soon as the General had finished his devotions and had retired, Friend Potts returned to his house, and threw himself into a chair by the side of his wife.

"'Hegh! Isaac!' said she with tenderness, 'thee seems agitated; what's the matter,' 'Indeed, my dear,' quoth he, 'if I appear agitated 'tis no more than what I am. I have seen this day what I shall never forget. Till now I have thought that a Christian and a soldier were characters, incompatible; but if George Washington be not a man of God, I am mistaken, and still more shall I be disappointed if God do not through him perform some great thing for this country.' "

(Isaac Potts was then 27, having been married at the age of 20, at Plymouth Meeting, 6th December, 1770, to Martha, daughter of Samuel and Mary (Livezy) Bolton, born May 28, 1750.)

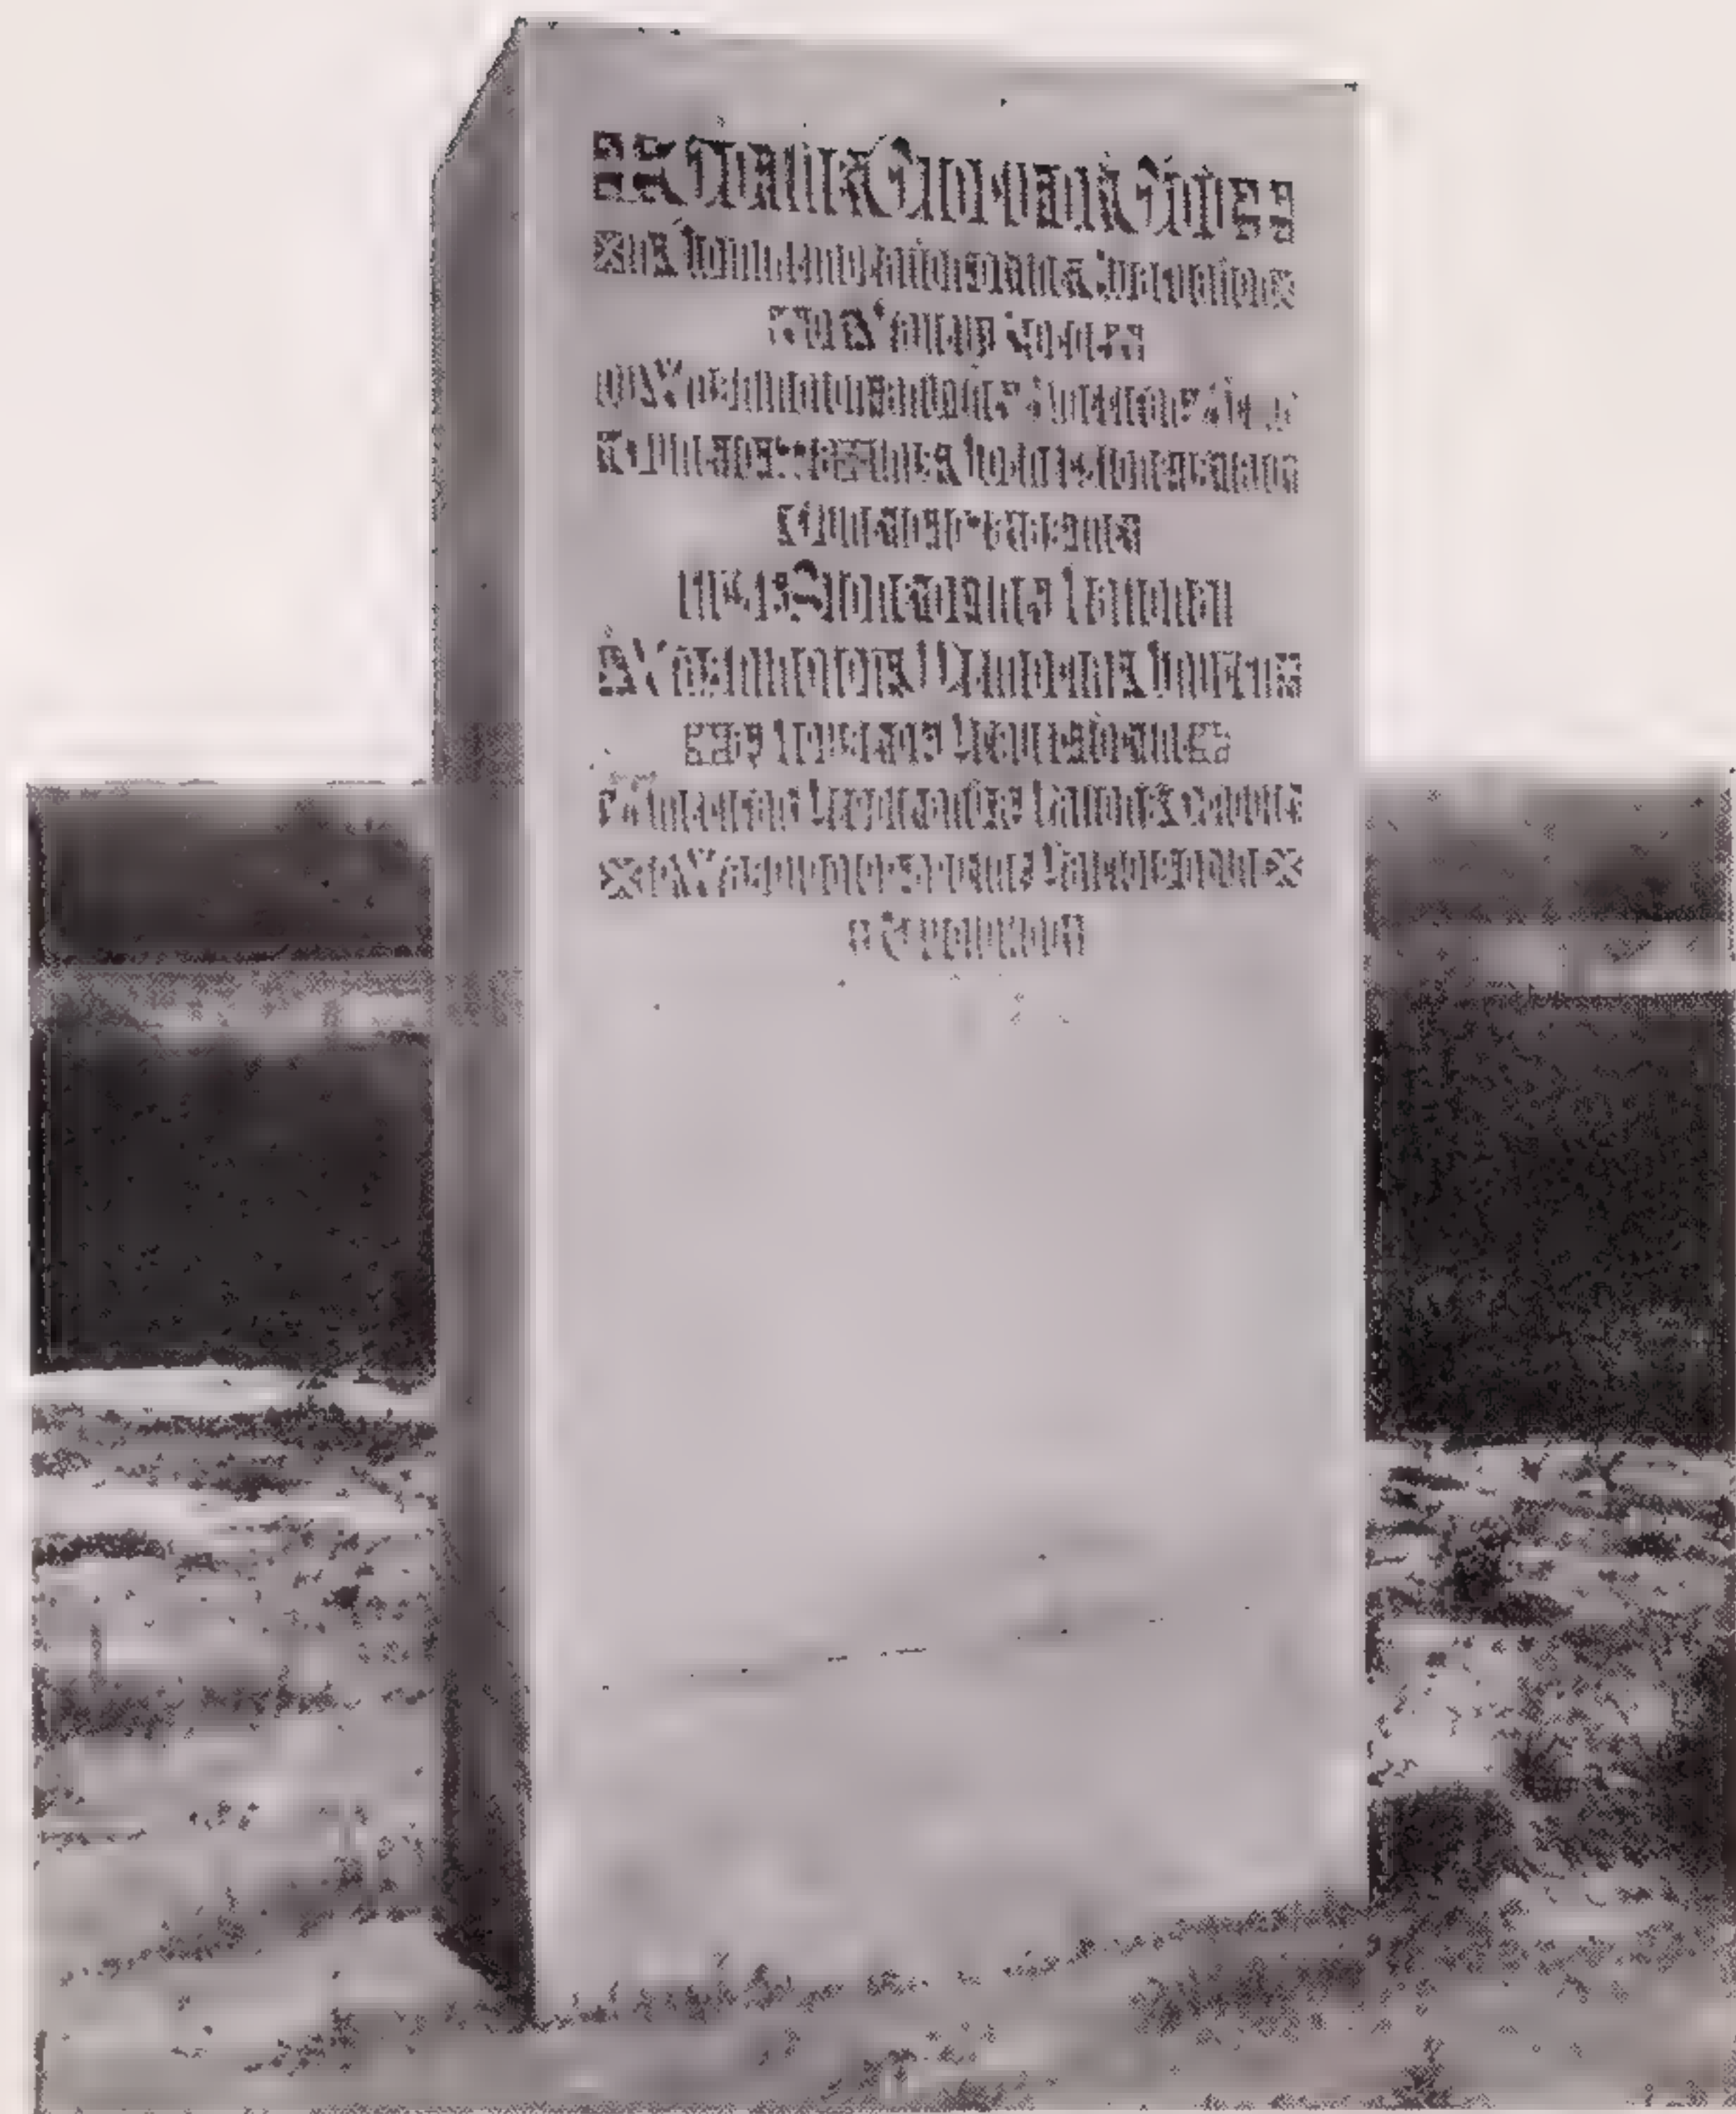

The National Washington Memorial Church

More than half a million Americans have made pilgrim to the Washington Memorial Chapel in two years, and more than five thousand have entered its portal, in a single day, seen its beauty, felt its spell, and heard its call to that consecration to God, and Country which gave glory to the Men of Valley Forge.

Sunday after Sunday worshippers stand in the aisles of the Washington Memorial Chapel, while hundreds of thousands press to its doors, to catch something of its service of prayer and praise. Organizations, patriotic and educational, fraternal and social, ask for special services. Schools and colleges from distant States have their annual pilgrimages to this Shrine of the Nation, where every State has its own Sunday.

These State Sunday Services are growing in importance, and after nine years are certainly national institutions. The Governors are asked to appoint the State Sunday Speakers and thus on Sunday afternoons at Valley Forge, speakers of all religious faiths will represent the States where every Sunday morning the service will be that in which Washington took part in childhood, youth and manhood. Already at Valley Forge Church Unity is not a hope or an experiment: it is an established fact.

The need of the hour at Valley Forge is a House of Prayer large enough for all who gather there, beautiful enough to inspire all who enter it, and great enough to be the Nation's symbol of thankfulness to God for all His manifold gifts, and comprehensive enough to embrace all the children of God in its service of prayer and praise. Already a wonderful site has been secured for this great National House of Prayer for all the American People, as Mrs. Sarah Swift Zulich sold to the Chapel the site of her former home. The corner-stone was laid by the Hon. J. Willison Smith, Grand Master of the Masons of Pennsylvania, June 19, 1928, the One Hundred and Fiftieth Anniversary of the Evacuation of Valley Forge by Washington and the Army of the United States of America.

CORNER STONE OF THE NATIONAL
WASHINGTON MEMORIAL CHURCH

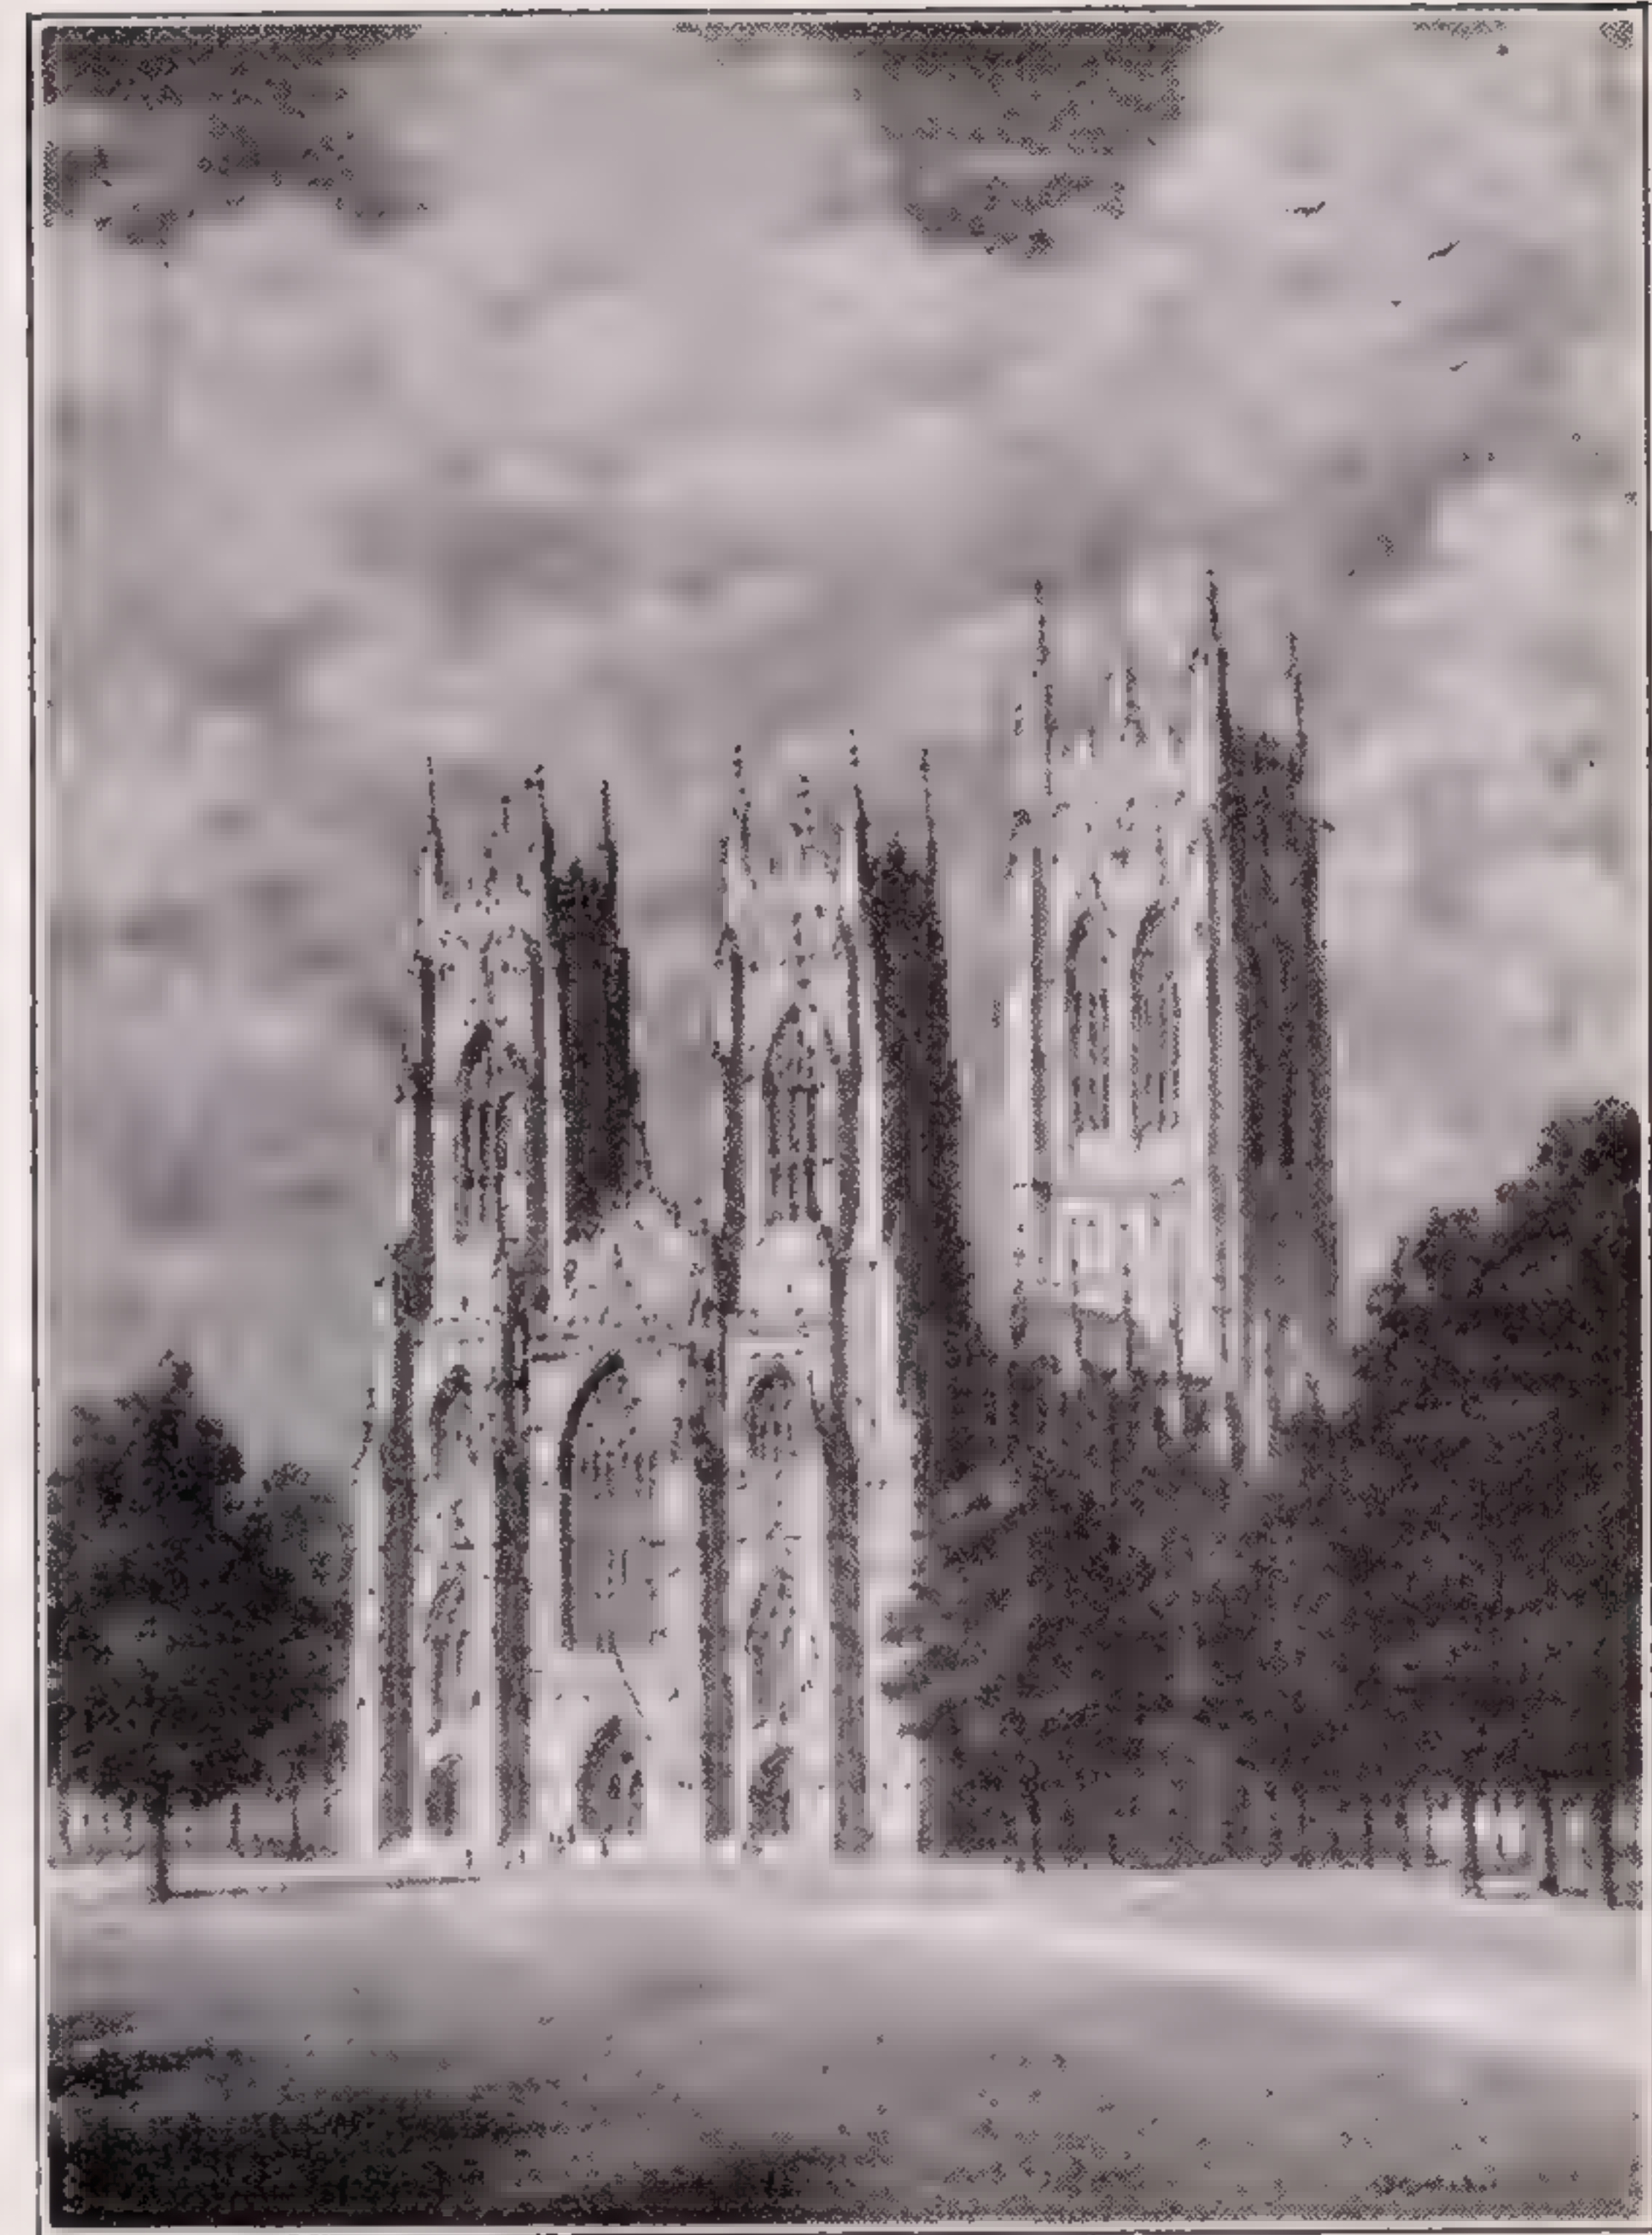

Already over a quarter of a million dollars in money and pledges have been secured and every day American patriots make their contributions. Every American is asked to give at least One Dollar in honor of Washington and the Patriots of the Revolution. The architect of the Church is Mr. John C. Cornelius, Jr., associated with the Late Milton B. Medary, Jr., the architect of the Chapel during its erection.

All real Americans will rejoice that the effort of some of the members of the Valley Forge Park Commission to seize the ground dedicated to the worship of Almighty God was defeated. Never before have those representing the Commonwealth of Pennsylvania endeavored to stop the erection of a House of Prayer or to interfere with Divine Worship. The congregation celebrated the victory of religion and patriotism at Valley Forge, Sunday, October 13, 1929.

The handsome stone pulpit for the National Washington Memorial Church will be the gift of the National Society, Daughters of the Revolution. Ten Thousand Dollars have been raised for this great gift.

The lectern Bible has been given by Mary Christina Doll Fairchild in memory of her great grandfather, Colonel Sebastian Bauman. The gift includes not only the first Bible, but provides an endowment for a perpetual succession of Bibles.

The most beautiful pews in the world have been designed for the Church by Mr. John C. Cornelius, Jr. The first pew has been given by Mrs. John S. Blakeburne, in honor of Albert B. Croll and Rebecca Ivins Croll. This beautiful Memorial Pew has been placed in the Choir of the Chapel so that others may see what the Pews of Patriotism will be.

The Valley Forge Historical Society

June 19, 1918, the Valley Forge Historical Society was founded for the preservation and publication of the records of the men of Valley Forge, for the cultivation and development of the spirit of Valley Forge throughout the nation, as the truest Americanization, and to this end to maintain and develop the Valley Forge Museum of American History as a school of history and patriotism, and to maintain and develop the Washington Memorial Library as a record of national achievement.

It is a national organization. Any American citizen of good character is eligible to membership in one of the following classes:—

Perpetual Benefactors, who pay \$5000 into the Endowment Fund.

Life Benefactors, who pay \$1000 into the Endowment Fund.

Perpetual Patrons, who pay \$200 into the Endowment Fund.

Life Patrons, who pay \$50 into the Endowment Fund.

Active members, who pay \$5 annually.

Associate members, who pay \$1 annually.

Membership in this Society is already a mark of distinction and an honor which any American might well covet, for no organization in the country is doing such a work for the nation.

Apply at once for membership. Make all checks for membership to the Valley Forge Historical Society.

Life Patrons	194
Active Members	778
Associate Members	2,008
Total Adult Membership	3,030
Members of the Legion	67,767
Total Membership	70,797

Its Halls of History will be:—

Pocahontas Hall, representing The American Indian.

Raleigh Hall, representing The European Background.

Franklin Hall, representing The Colonial Period.

Washington Hall, representing The War of the Revolution.

Jefferson Hall, representing The Period of National Development.

Lincoln Hall, representing The Civil War.

Roosevelt Hall, representing The Period of International Influence.

Victory Hall, representing The World War.

In addition to the Halls of History there will be a reproduction of Sulgrave Manor, the ancestral home of the Washingtons.

Its site at Valley Forge, selected by Dr. Burk, twenty-seven years ago, gives to the Valley Forge Museum of American History a unique, but most vital quality—an historic atmosphere. Without that the greatest collection of relics would be a spiritless conglomeration.

Its plans, recognized by historians, antiquarians, collectors and curators, as the best ever conceived for a national museum, and many years in advance of all the museums of the world, was originated and elaborated by Dr. Burk, and adopted by the Valley Forge Historical Society.

Its accomplishment will be a national achievement and an age-long inspiration.

Its possibility is proven by the Washington Memorial Chapel at Valley Forge, begun by Dr. Burk without a cent of money or a single supporter, and today the "American Westminster," "The Shrine for the Ages," "The Mecca for Patriots" (see Christopher Morley's Travels in Philadelphia, page 178, The Ladies' Home Journal, November, 1920; "Change Cars at Paoli," the Atlantic Monthly, August, 1922), "The Greatest Book in the World," A. Edward Newton, 1925.

Its accomplishment offers to every American patriot a glorious form of patriotic service.

Its history of accomplishment will be a national book of golden deeds.

Its list of members will be a national Roll of Honor.

It awaits your name and address.

July 4, 1926

WASHINGTON MEMORIAL NATIONAL CARILLON

The Star Spangled Banner National Peace Chime forms the foundation of the Washington Memorial National Carillon. This will consist of forty-eight State Bells, including those in the Peace Chime, a bell for each State and the National Birthday Bell.

The New State Bells have been assigned to the States in the order of their population, beginning with Illinois, since both the New York and Pennsylvania State Bells are in the Star Spangled Banner National Peace Chime. The smallest State Bell will be that of Nevada. The State Bells will range in weight from three and a half tons, the Illinois State Bell, to a few pounds.

The first State Bell to be given in the Washington Memorial National Carillon is that of Ohio, dedicated April 29, 1928. This weighs three tons. The Legislature appropriated the money for the Ohio State Bell. The second State Bell is that of Kentucky. This is the gift of the Kentucky State Society, Daughters of the American Revolution.

The Illinois State Bell is the gift of the State, the Legislature having appropriated \$7500 for the Bell, the ringing device and the endowment. This is the largest bell at Valley Forge. It weighs three and one half tons.

The Colorado State Bell is the gift of an anonymous donor.

The Michigan State Bell is the gift of the Daughters of the American Revolution of Michigan.

The Texas State Bell has been promised by the Texas State Society, Daughters of the American Revolution.

Without a ringer, the Carillon will be only a mass of inert voiceless metal. Linked with the Carillon there must be the expert Carillonneur to give voice to the State Bells, and call forth music from the domes of silence. To secure the unfailing services of an expert musician day after day, year after year, there must be a large endowment and careful management of the vested funds. Therefore, to the cost of each State Bell has been added a sum for the Endowment Fund of Fifty Thousand Dollars and a Trust Company will hold the Endowment Fund.

An additional sum has been added to cover the expense of the installation of an electric ringing device. Thus the price set for each State Bell is made up of these important items—the actual cost of the State Bell, the Endowment Fund, and the cost of its electric ringing device, as our Patriotic purpose is to secure for Valley Forge the first American Carillon and an expert carillonneur.

Each State Bell will bear a suitable inscription, giving the name of the donor, etc. Edwin Markham wrote a beautiful poem for the New York State Bell, and this has been cut into the surface of the Bell.

Memorial Choristerships At Valley Forge

Of course the music in the American Westminster is of the highest order and already a number of the National Memorial Choristerships have been endowed. Fifty Dollars will endow a National Junior Memorial Choristership, and perpetually on the date selected a Choir Boy will sing in memory of the person commemorated and will be known as the (name of the honored individual) Memorial Chorister. He will wear the memorial silver cross, inscribed with the name of the American commemorated, and suspended by a red, white and blue ribbon. At the close of the service he will receive the income of the memorial endowment in appreciation of his services as a memorial chorister. The cost of each memorial silver cross is Five Dollars, to be paid by the founder of the National Memorial Choristership.

Other National Memorial Choristerships may be endowed in larger sums. Senior Choristerships may be endowed in the sum of One Hundred Dollars or more. The Memorial Solo Choristerships are endowed in the sums of Five Hundred Dollars, One Thousand Dollars, Two Thousand Dollars, and up.

All memorial funds are held by Trust Companies under perpetual trust agreements.

Wry not honor your beloved ones a worthy national memorial in the American Westminster at Valley Forge?

THE CHURCHYARD

Have you a burial lot? A lot should be selected intelligently. Do not wait until sickness or sorrows has clouded the mind nor place the responsibility on the bereaved members of your family. No words should be needed to persuade you to select a lot in our beautiful Churchyard, a veritable God's Acre. In it you will find lots from \$50 up, and arrangements can be made for time payments. Remember that 30% of every dollar received is placed in a special Endowment Fund for the maintenance of the Churchyard. If you have no lot select one at once in your own Churchyard. You should also invite your friends to select a lot. There are only five lots unsold in the first section opened and those in the newest sections are selling even more rapidly.

The 1933 Year Book

Again we are indebted to our good and generous friends for the year book. The patriotic advertisers have made this book possible. It is really their gift to both the Society and to the Chapel. Without them not one page could have been printed. They are your co-workers and we ask you to show your appreciation by remembering them when you need any form of that service for which each stands ready to render.
